We care about global education and the world

Who and what to seek?

- Donors / Donations
- Contributions to provide ESD, advancing high quality education

Why and how to do it?

- Humanity faces global challenges such as pandemics, economic turbulences and climate change
- ESD / Education is inspiring people from all countries to solve global challenges
- Humanity is able to overcome

What we all need for the future

- (1) Peace on Earth. Stop all wars. All.
- (2) Restoration of Earth. Care for all life forms. Restore nature. Give access to the best health options for all.
- (3) Economic prosperity. Help the poor. Enforce good business. Educate to empower for individual growth. All this is to lift up all humanity.
- (4) Love. Forgiveness. Healing. Joy. Kindness. 😊

Impressions from around the world
