### **The Space Program online: What is it?**

The Space Program online is a self-paced study program on outer space affairs and higher consciousness. The Outer Space Treaty, adopted by the United Nations General Assembly in 1967, is one of several treaties to enable the orderly conduct of activities in outer space. Moreover, Space Force programs were launched by Russia and China (2015), and the US (2019).

### **What to get out of it?**

- More knowledge about the past, present and future of humanity
- Higher consciousness, universal consciousness and unity

### **How to get involved?**

- Mode of Study: Self-paced study via Internet.
- Research: Students may research online on (1) 4 Ages; (2) inner wisdom; (3) outer space affairs, including UNOOSA activities and outer space politics; (4) Densities; (5) Golden Age. This program does not offer enrollment nor a certificate, this program is for self-study only.
